

DJS Cemetery Marker

Tommy Hays found a source to produce brass cemetery markers. Tommy offers them for sale to our members for \$180 each (shipping included). They measure 3 X 4 inches & have 2 screws in back for mounting. As you can see, the one on left side has recessed letters & on right has raised letters.

If you would like to order, please mail check payment to Tommy with your address & specify if you want recessed or raised lettering. Address 417 Live Oak Drive, Lafayette, LA 70503. Phone 337-314-2877 Email thays@teche-electronic.com
